

SCALE PAN – nylon, with hook

MF3723-001 nylon scale pan with hook

DESCRIPTION:

The IEC **Scale Pan with Hook** is a pan for use in school laboratories for many purposes. It is 100mm diameter and 12mm deep strong plastic moulding with integral hinged side flaps that converge to form a hook and supports. The pictures below show the pan with the side flaps flat and also with the side flaps converged to form the hook.

MF3723-001 (nylon construction)
